

For Immediate Release

New Puddings From Kozy Shack® Feature 1% Milk
Reducing the Fat, But None of the Taste

- - Celebrating its 40th Anniversary, Kozy Shack® Tradition Satisfies Today's Palate - -

Imagine enjoying a creamy, delicious dessert or snack without the guilt! Whether it's a velvety vanilla, rich chocolate or lush banana pudding, the texture and taste of new Kozy Shack® All-Natural Puddings Made with 1% Milk defy the fact that all three are made with low fat milk.

Kozy Shack® has eliminated the guesswork and the guilt with prepackaged four-ounce cups that keep calories in check. Weighing in at 120 calories or less per serving, these convenient pudding 6-packs make shopping for you and your family a breeze.

Each pudding is made from all-natural ingredients you can feel good about eating, or serving to your family and friends. A good source of calcium, Vitamin D and fiber, Kozy Shack® made from 1% Milk All-Natural Pudding treats continue to be a straightforward choice for savvy women.

Kozy Shack® is dedicated to creating puddings that are low in sodium and cholesterol, with 0g Trans fat and no preservatives. These all-natural, indulgent tasting snacks are also gluten free and certified Kosher Dairy.

Noted as a "Supermarket Gem," by the *New York Times*, for its ready-to-eat wholesome and delicious taste, Kozy Shack® traditional products meet today's consumer lifestyle. For 40 years, Kozy Shack® has been making the finest-quality, ready-to-eat refrigerated dairy desserts. Packaged for convenience, the pudding are slow-cooked in kettles complete with fresh milk and fine ingredients, and are available in ready-to-serve portions in the dairy case of the supermarket.
